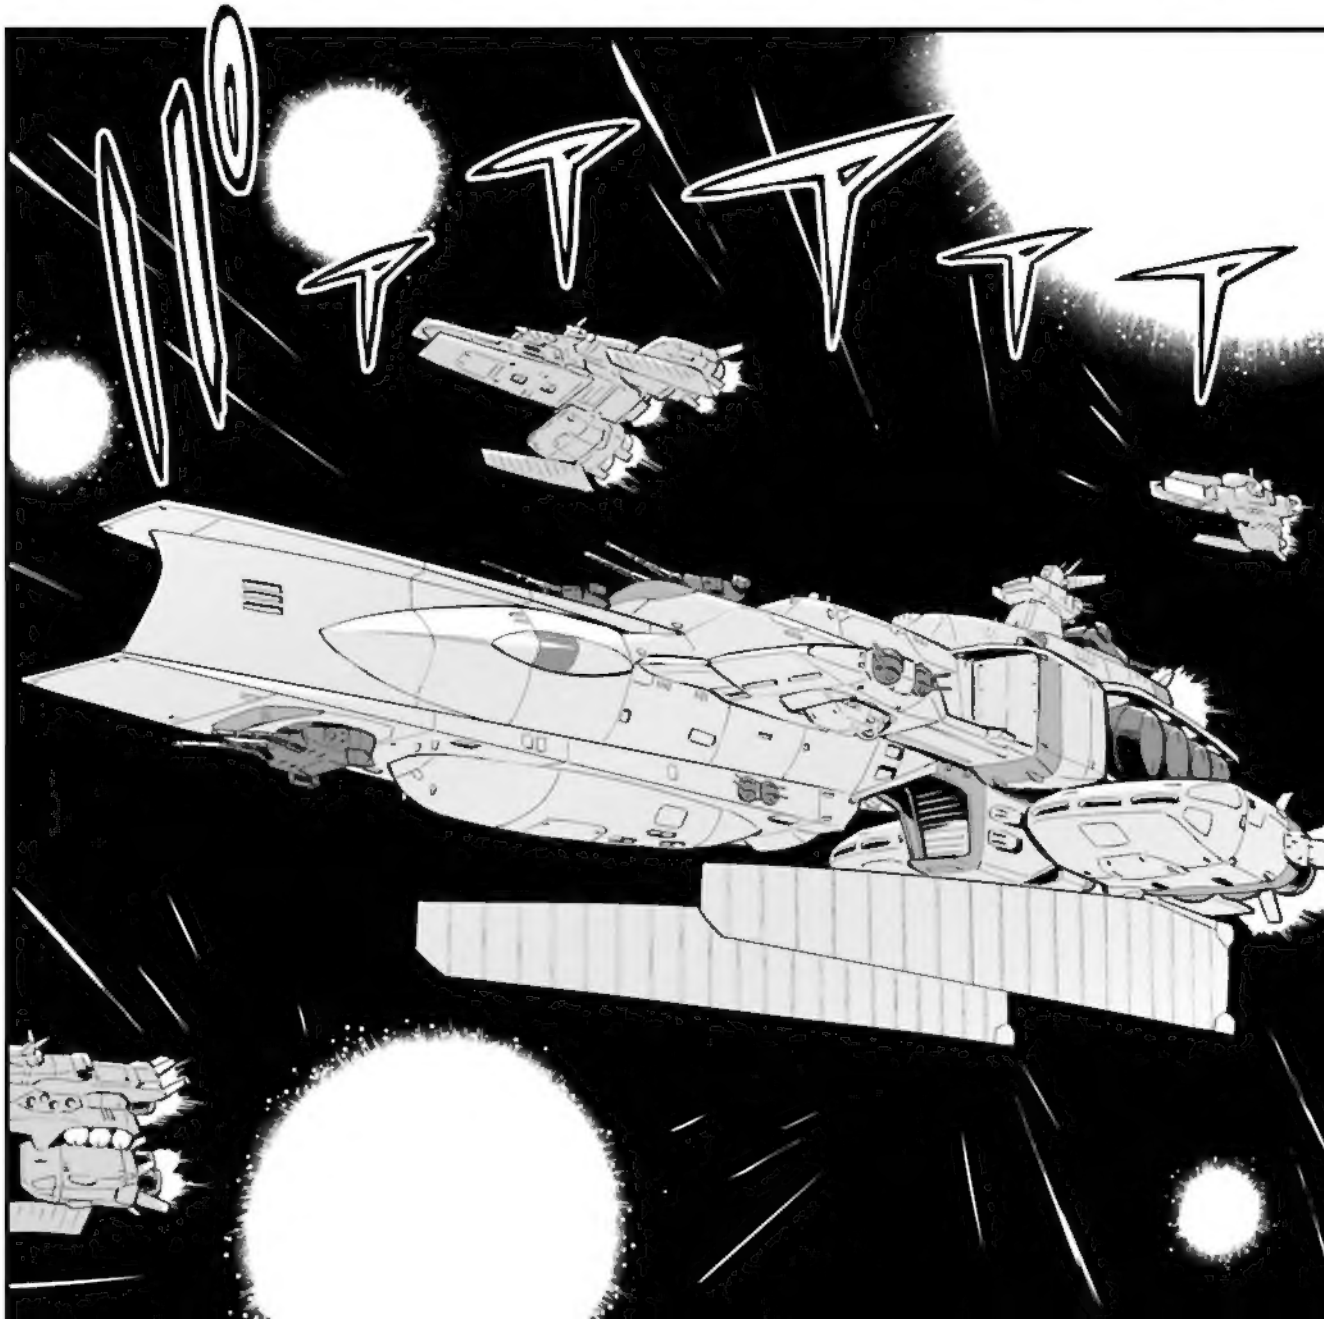
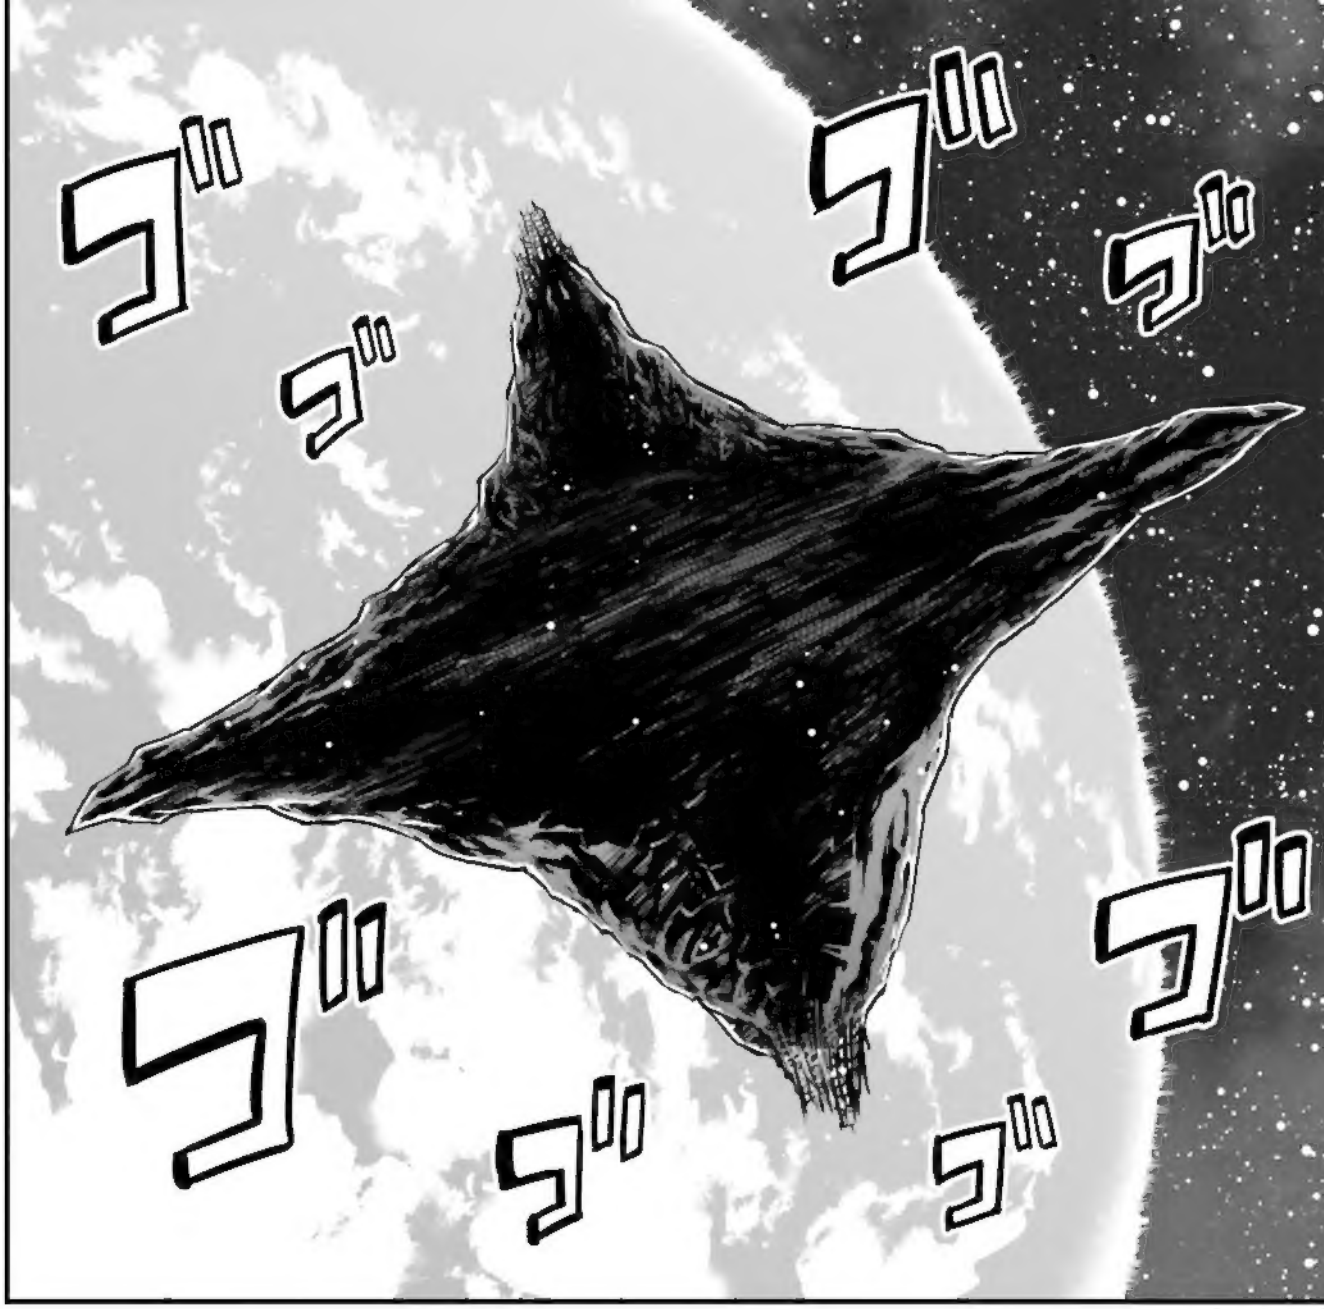
PART.18 ENTRUST

DON'T USE UP ALL OF OUR...
ANTI-MISSILE PARTICLE SHELLS!

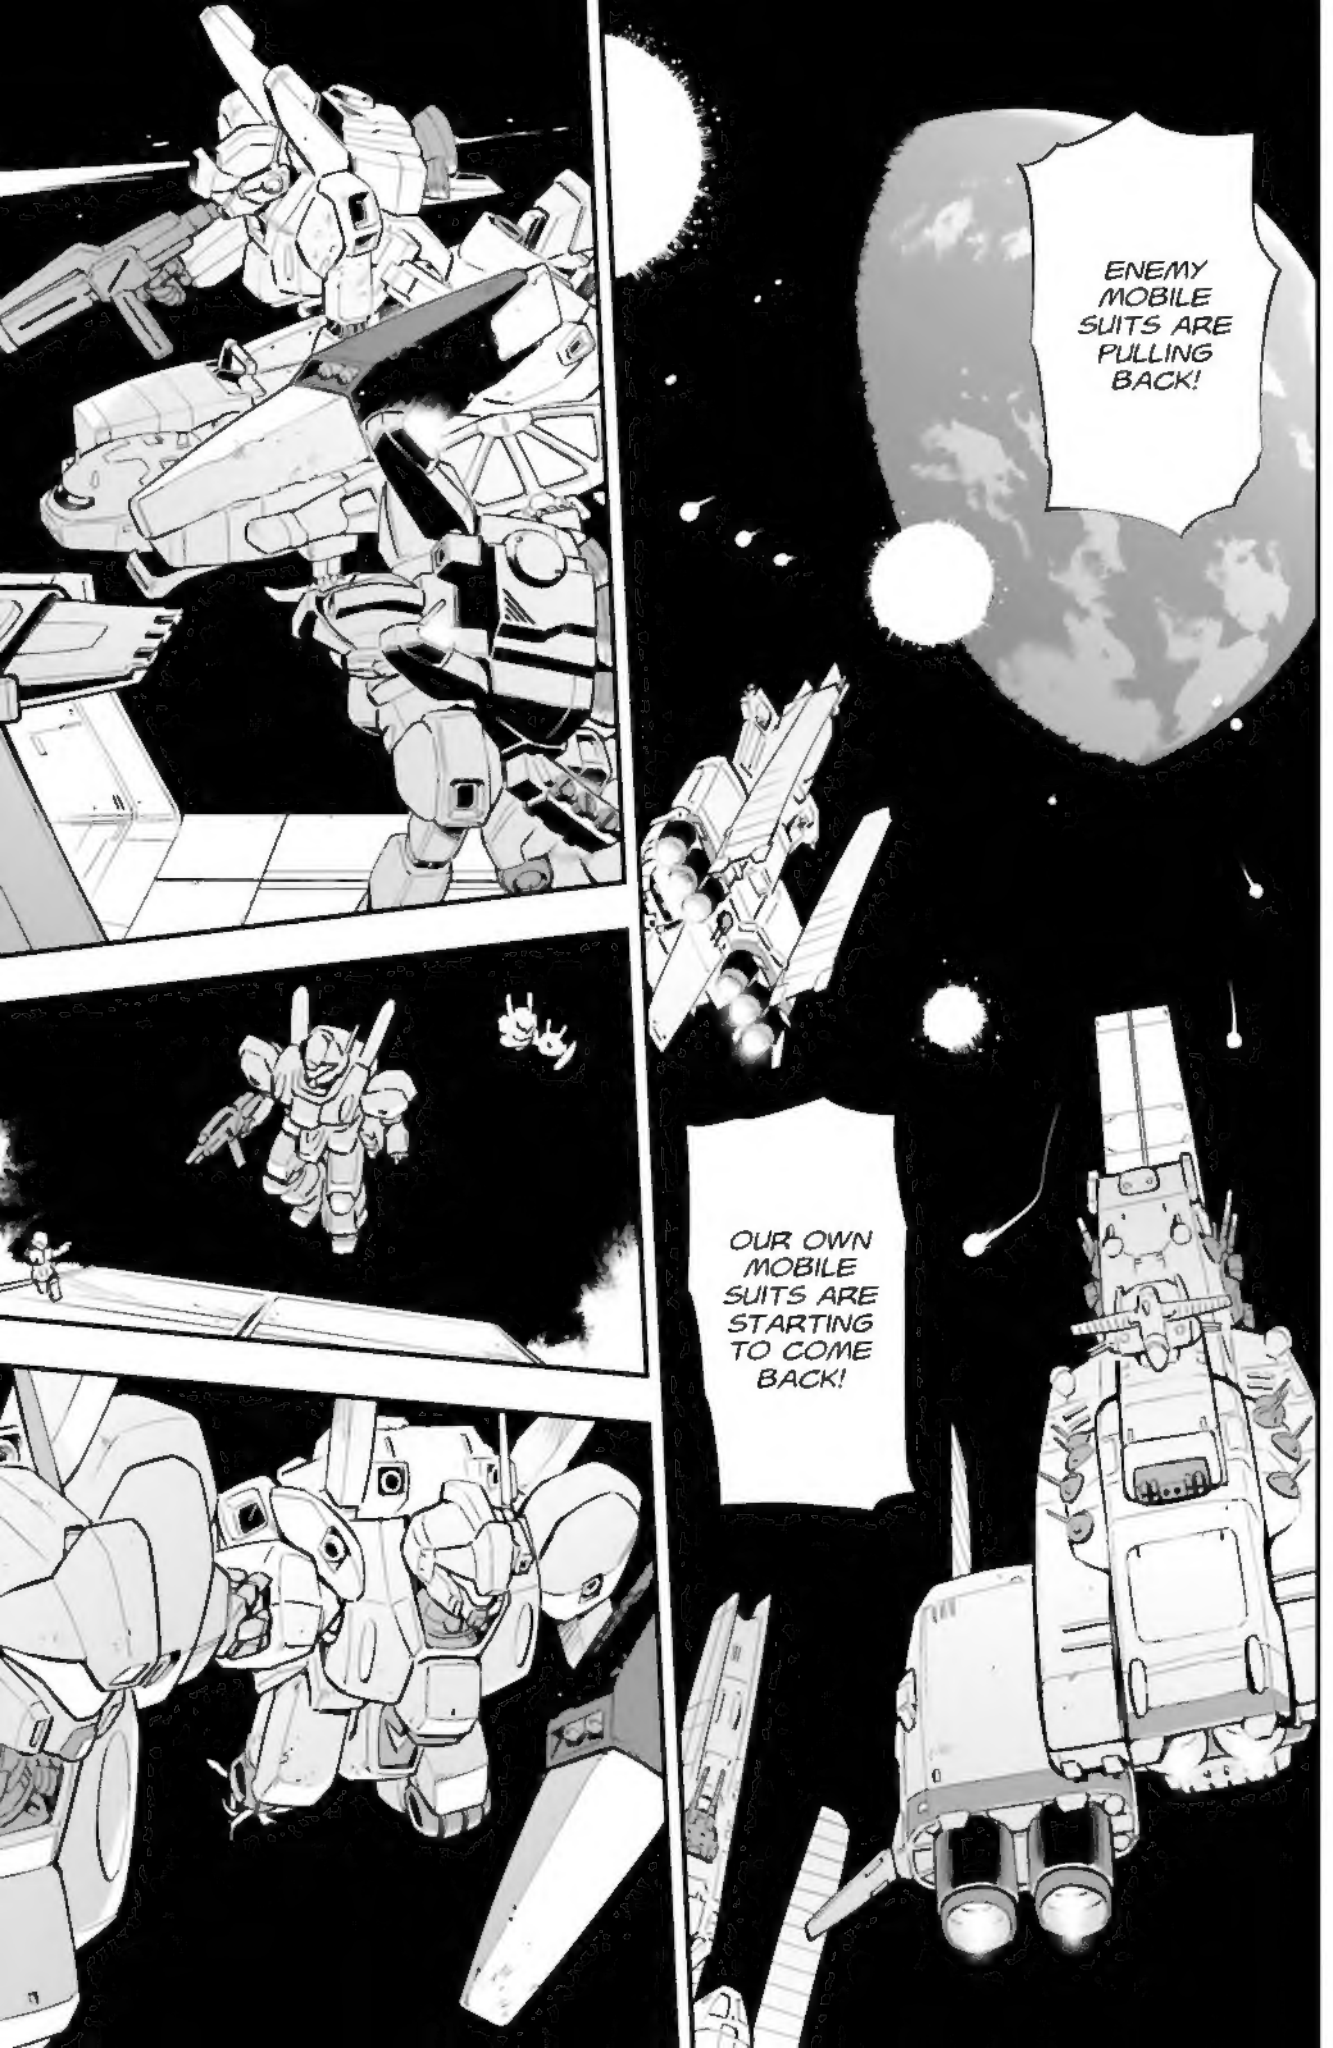


OBSERVATION! WHERE IS THE ENEMY--?
WHAT?!
ゴゴ
ゴゴ
IT'S AXIS!
IT'S STOPPED ITS PULSE ENGINES AND IS TURNING AROUND!
IT'S STARTED DECELERATING!
ゴゴ
ゴゴ
ゴゴ
ゴゴ
ゴゴ



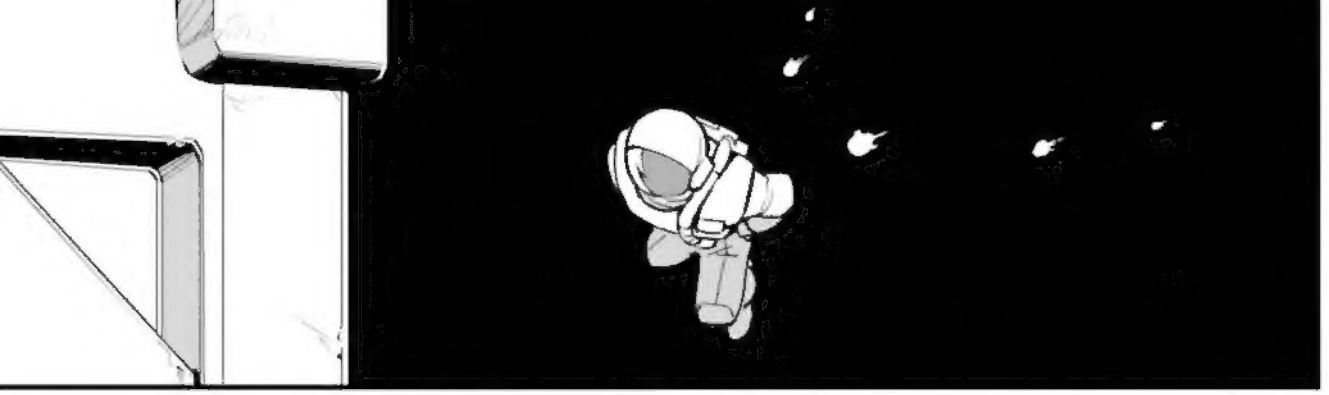
ゴゴゴゴゴゴゴゴゴゴ

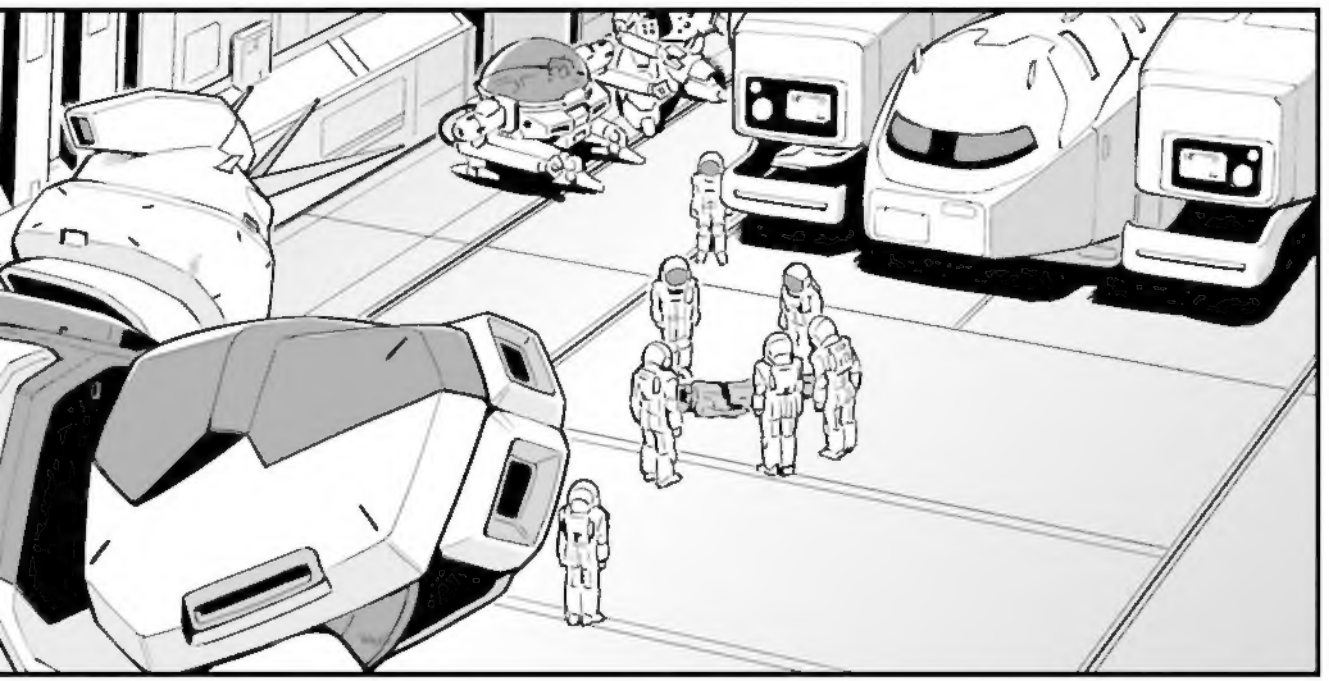
GUESS IF YOU HAVE TO!
YES, SIR!
FIGURE OUT THE TIME UNTIL AXIS DECELERATES AND MEETS THE CONDITIONS FOR EARTH FALL!



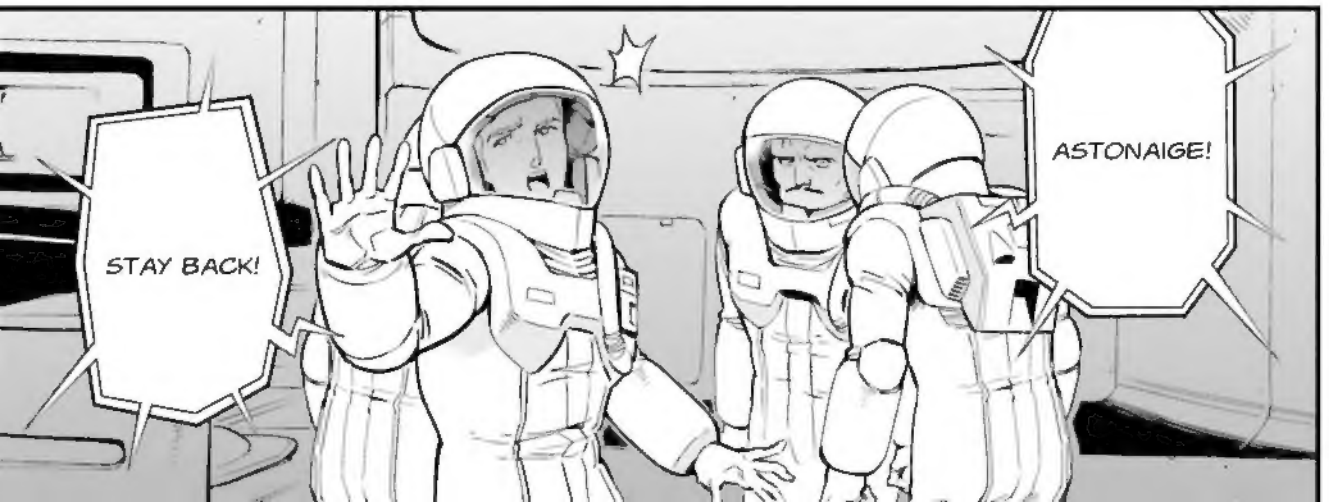
ENEMY MOBILE SUITS ARE PULLING BACK!
OUR OWN MOBILE SUITS ARE STARTING TO COME BACK!

ASTONAIGE!
KAYRA'S BEEN...?!
DON'T THINK OF USING THE FIXED ATTACHMENTS!
USE THE WIRES!
THE REAR HATCH!





THAT'S...



STAY BACK!
ASTONAIGE!

WHAT GIVES?
THAT'S NOT HOW SHE LOOKED...
KAYRA'S BODY WASN'T LIKE THAT...
THAT'S NOT KAYRA...
!?

KAYRA?!
ASTON-AIGE...

DON'T LET HIM SEE HER!
HOLD HIM BACK!
GET HER OUT OF HERE!

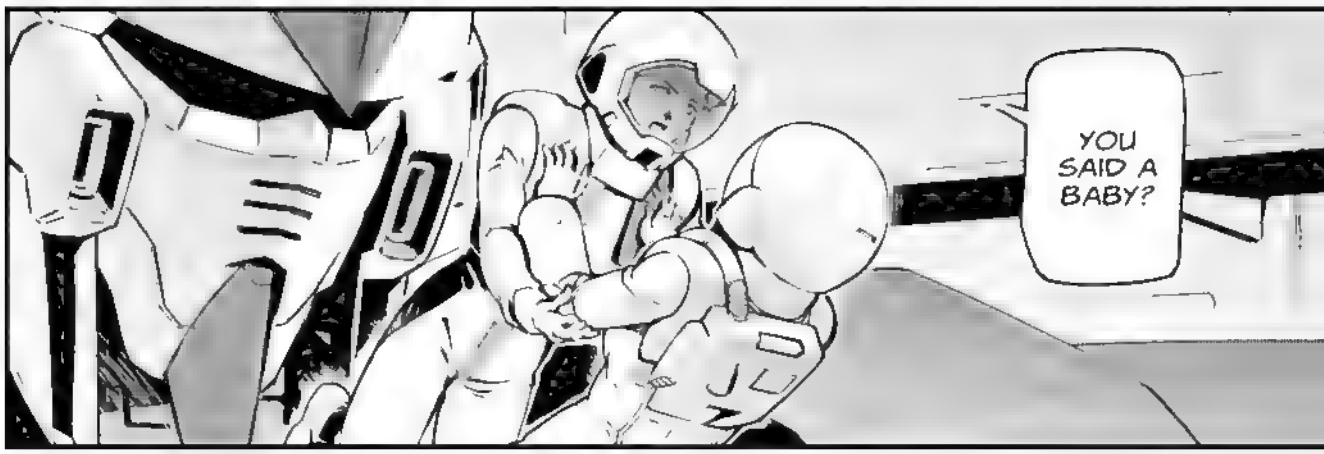
I THOUGHT WE WERE GOING TO HAVE SALAD TOGETHER...
KAYRA?!
THAT'S KAYRA!

BEL-
TOR-
CHIKA...

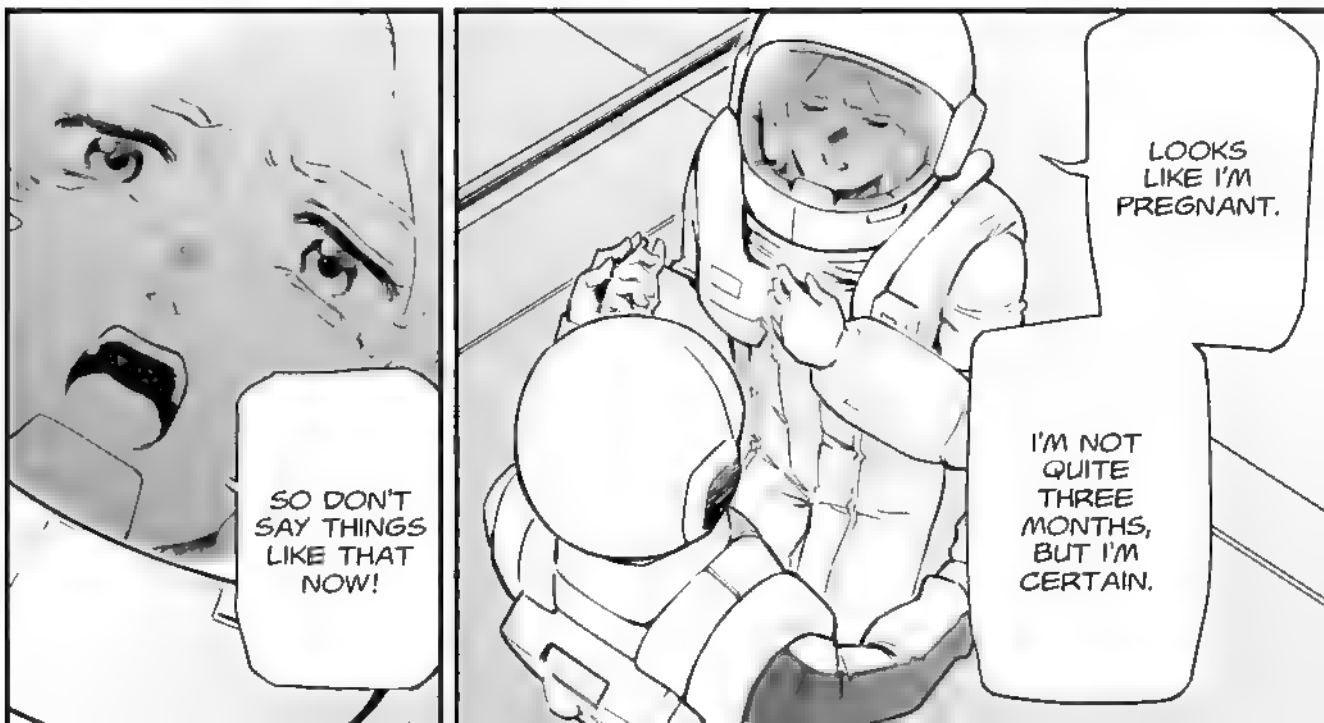
SHE SUF-
FERED...
WHAT KIND
OF WAY TO
DIE WAS
THAT?
SURE
SEEMS
THAT WAY...

!?
I HAVE TO PUT AN END TO CHAR FOR ALLOWING THIS OTHERWISE I CAN'T DIE...
ENOUGH!
DON'T YOU DARE SAY THAT!
YOU'LL SCARE THE BABY!!

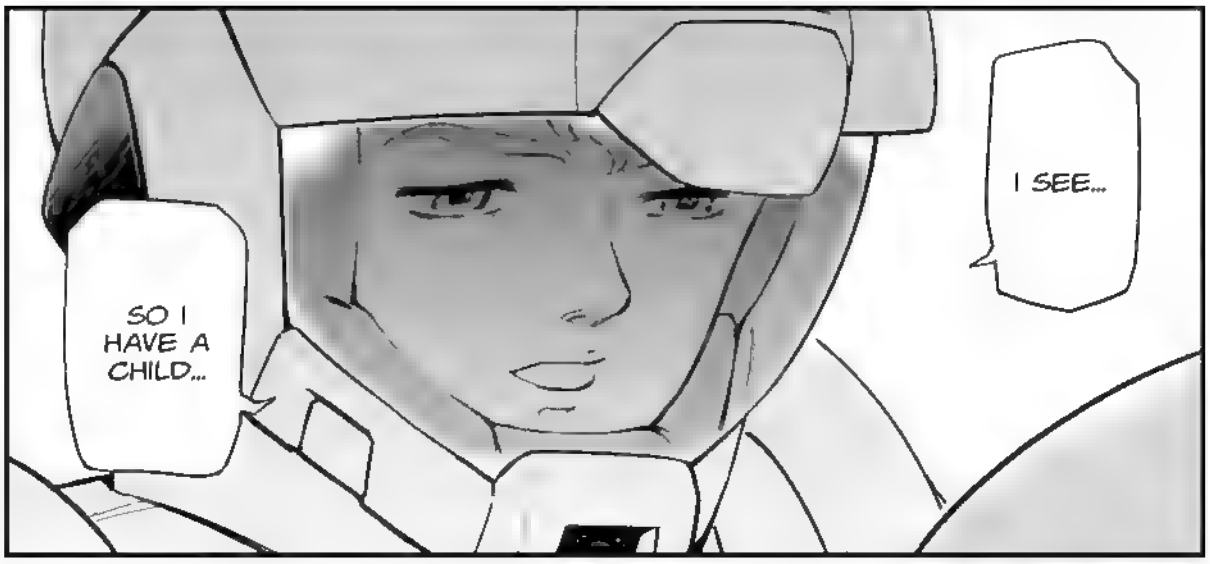
DON'T...
DON'T FIGHT LIKE THAT!
JUST DON'T!



YOU SAID A BABY?



LOOKS LIKE I'M PREGNANT.
I'M NOT QUITE THREE MONTHS, BUT I'M CERTAIN.
SO DON'T SAY THINGS LIKE THAT NOW!



I SEE...
SO I HAVE A CHILD...

WELL THEN...

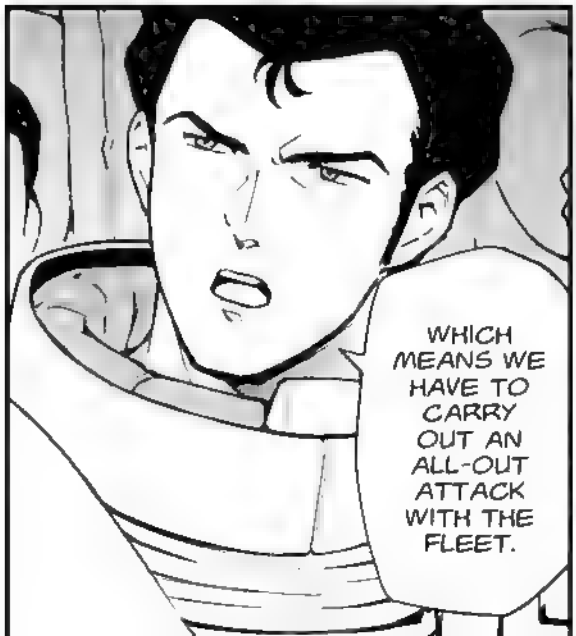
AXIS HAS STARTED ITS DECELERATION IN ORDER TO FALL TO EARTH.

SO BY ACCELERATING AND COMING AROUND FROM THE EARTH'S SHADOW...
WE'LL SET UP A SECONDARY ATTACK FROM THE FRONT.

BUT THE PROBLEM IS WHETHER THE NEO ZEON FLEET HAS BROUGHT THE NUCLEAR WEAPONS FROM LUNA II.
SHOULD THEY DETONATE THEM FROM THIS POINT, THEN THEY CAN ALTER THE TRAJECTORY OF THE ASTEROID.
EVEN IF THE DROP FAILS, IF THEY DETONATE THEM IN A LOW ORBIT, IT'LL CAUSE A NUCLEAR WINTER ON EARTH.

WHICH IS WHY WE SHOULD DESTROY AXIS THRUSTERS AND PULL BACK...
BEFORE IT CONTINUES TO DECELERATE AND GETS PULLED IN BY EARTH'S GRAVITY.
WE'LL DETONATE THE FIVE REMAINING NUCLEAR MISSILES NEAR AXIS AND BREAK AXIS APART.

BREAK AXIS APART?
OH...
WE HAVE FOUR NUKES LEFT, DON'T WE?



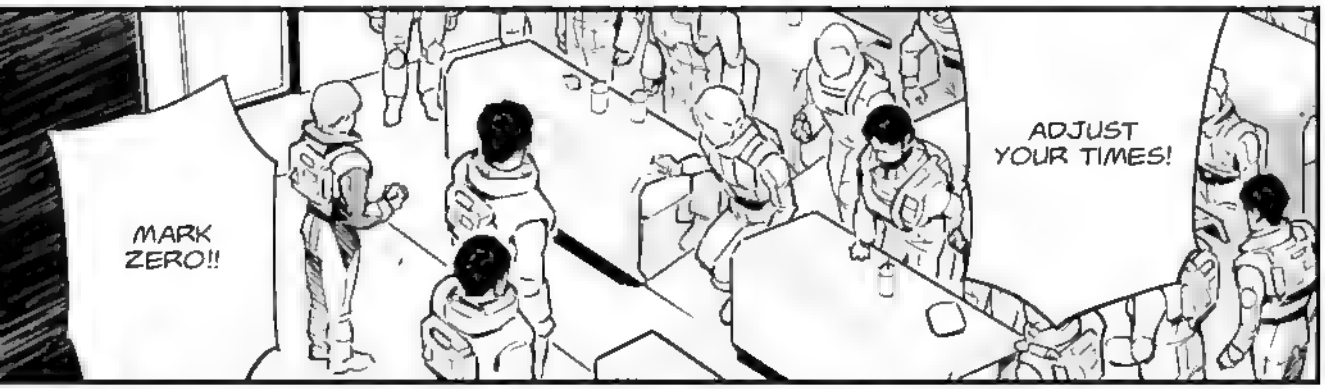
WHICH MEANS WE HAVE TO CARRY OUT AN ALL-OUT ATTACK WITH THE FLEET.

THIS AREA HERE IS RATHER WEAK.
I SEE, SO THE TUNNELS ARE THE MOST INTRICATE?

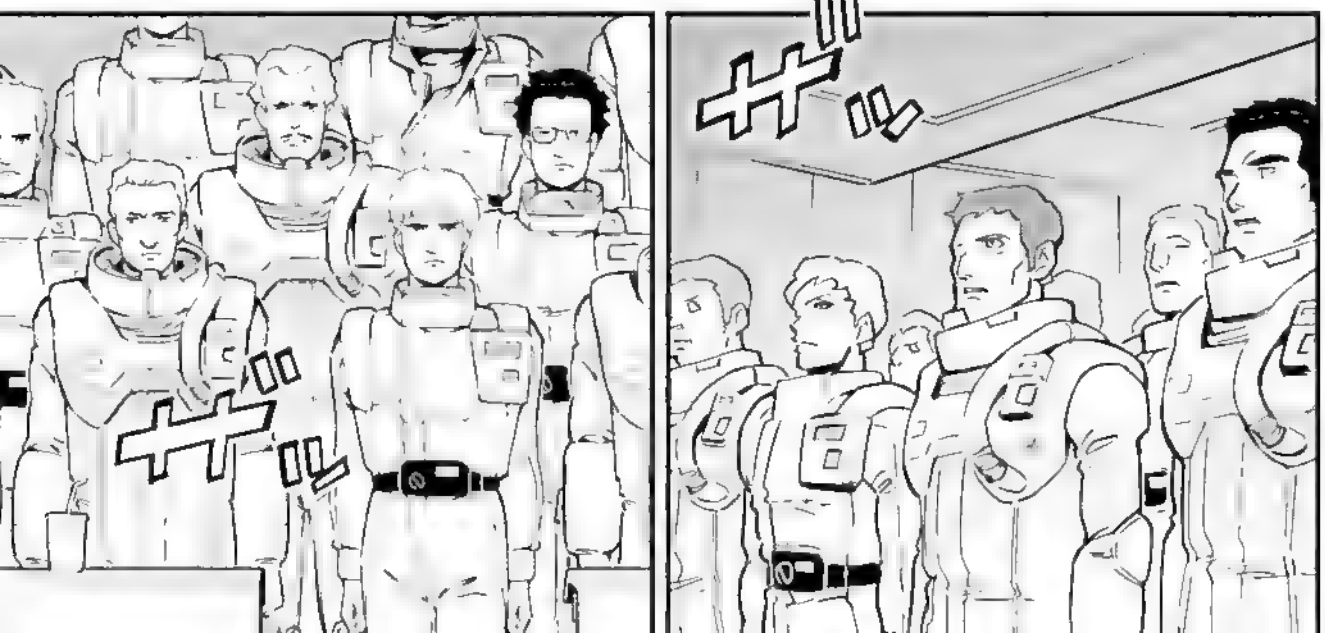
THE TUBE?
I'LL USE THE TUBE AS WE'RE SETTING UP FOR THE ATTACK.
I'LL SHOOT AXIS WITH THE NU GUNDAM'S HYPER MEGA BAZOOKA LAUNCHER...
THAT'LL BE SUPPLIED WITH ENERGY DIRECTLY FROM THE RA CAILUM'S MAIN ENGINE.
WE'LL ALSO ATTACK WITH THE NUCLEAR MISSILES.
SO OUR MOBILE SUIT FORCES WILL SECURE THE OPERATION AIRSPACE BY START A DOGFIGHT.
WE'LL DIVERT THE EN-EMY'S ATTEN-TION.
SHOULD THIS PROVE TO BE FUTILE, THEN ENTER AXIS AND BLOW IT UP FROM THE INSIDE OF THIS BLOCK.

EVEN IF IT FALLS TO EARTH, IF THE THRUSTERS FOR DECELERATION ARE DESTROYED THEN IT'LL VANISH IN THE ATMOSPHERE.
IF WE'RE ABLE TO BREAK IT APART, THEN ITS ORBIT WILL BE CHANGED...
AND IT'LL BE BLOWN CLEAR OF THE EARTH SPHERE.
I FIGURED THAT THE NEO ZEON HAVING REINFORCEMENTS FROM LUNA II WOULD PUT THEM AT AN ADVANTAGE, BUT...
WE CAN BEAT 'EM WITH THIS!
INSTEAD OF SAYING THERE'S A POSSIBILITY, I'D SAY WE'VE GOT THEM!
IT'S THE SAME AS USING BRUTE FORCE...
RIGHT?

WE MUST COMPLETE IT BEFORE ENEMY REINFORCEMENTS ARRIVE FROM LUNA II!
RIGHT. THAT'S A THREE-STAGE PLAN.



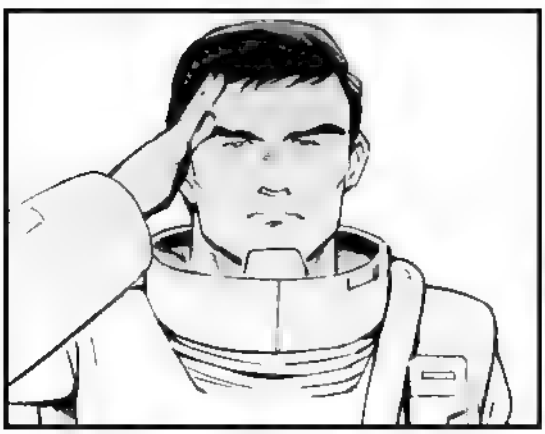
MARK ZERO!!
ADJUST YOUR TIMES!

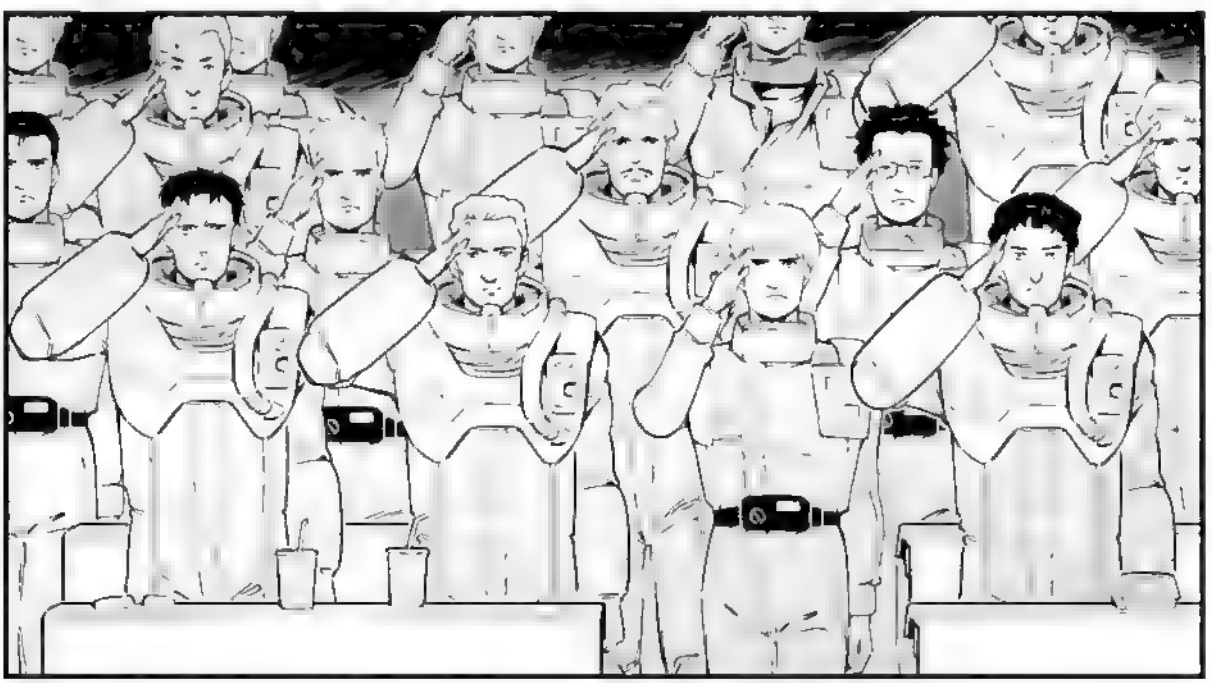


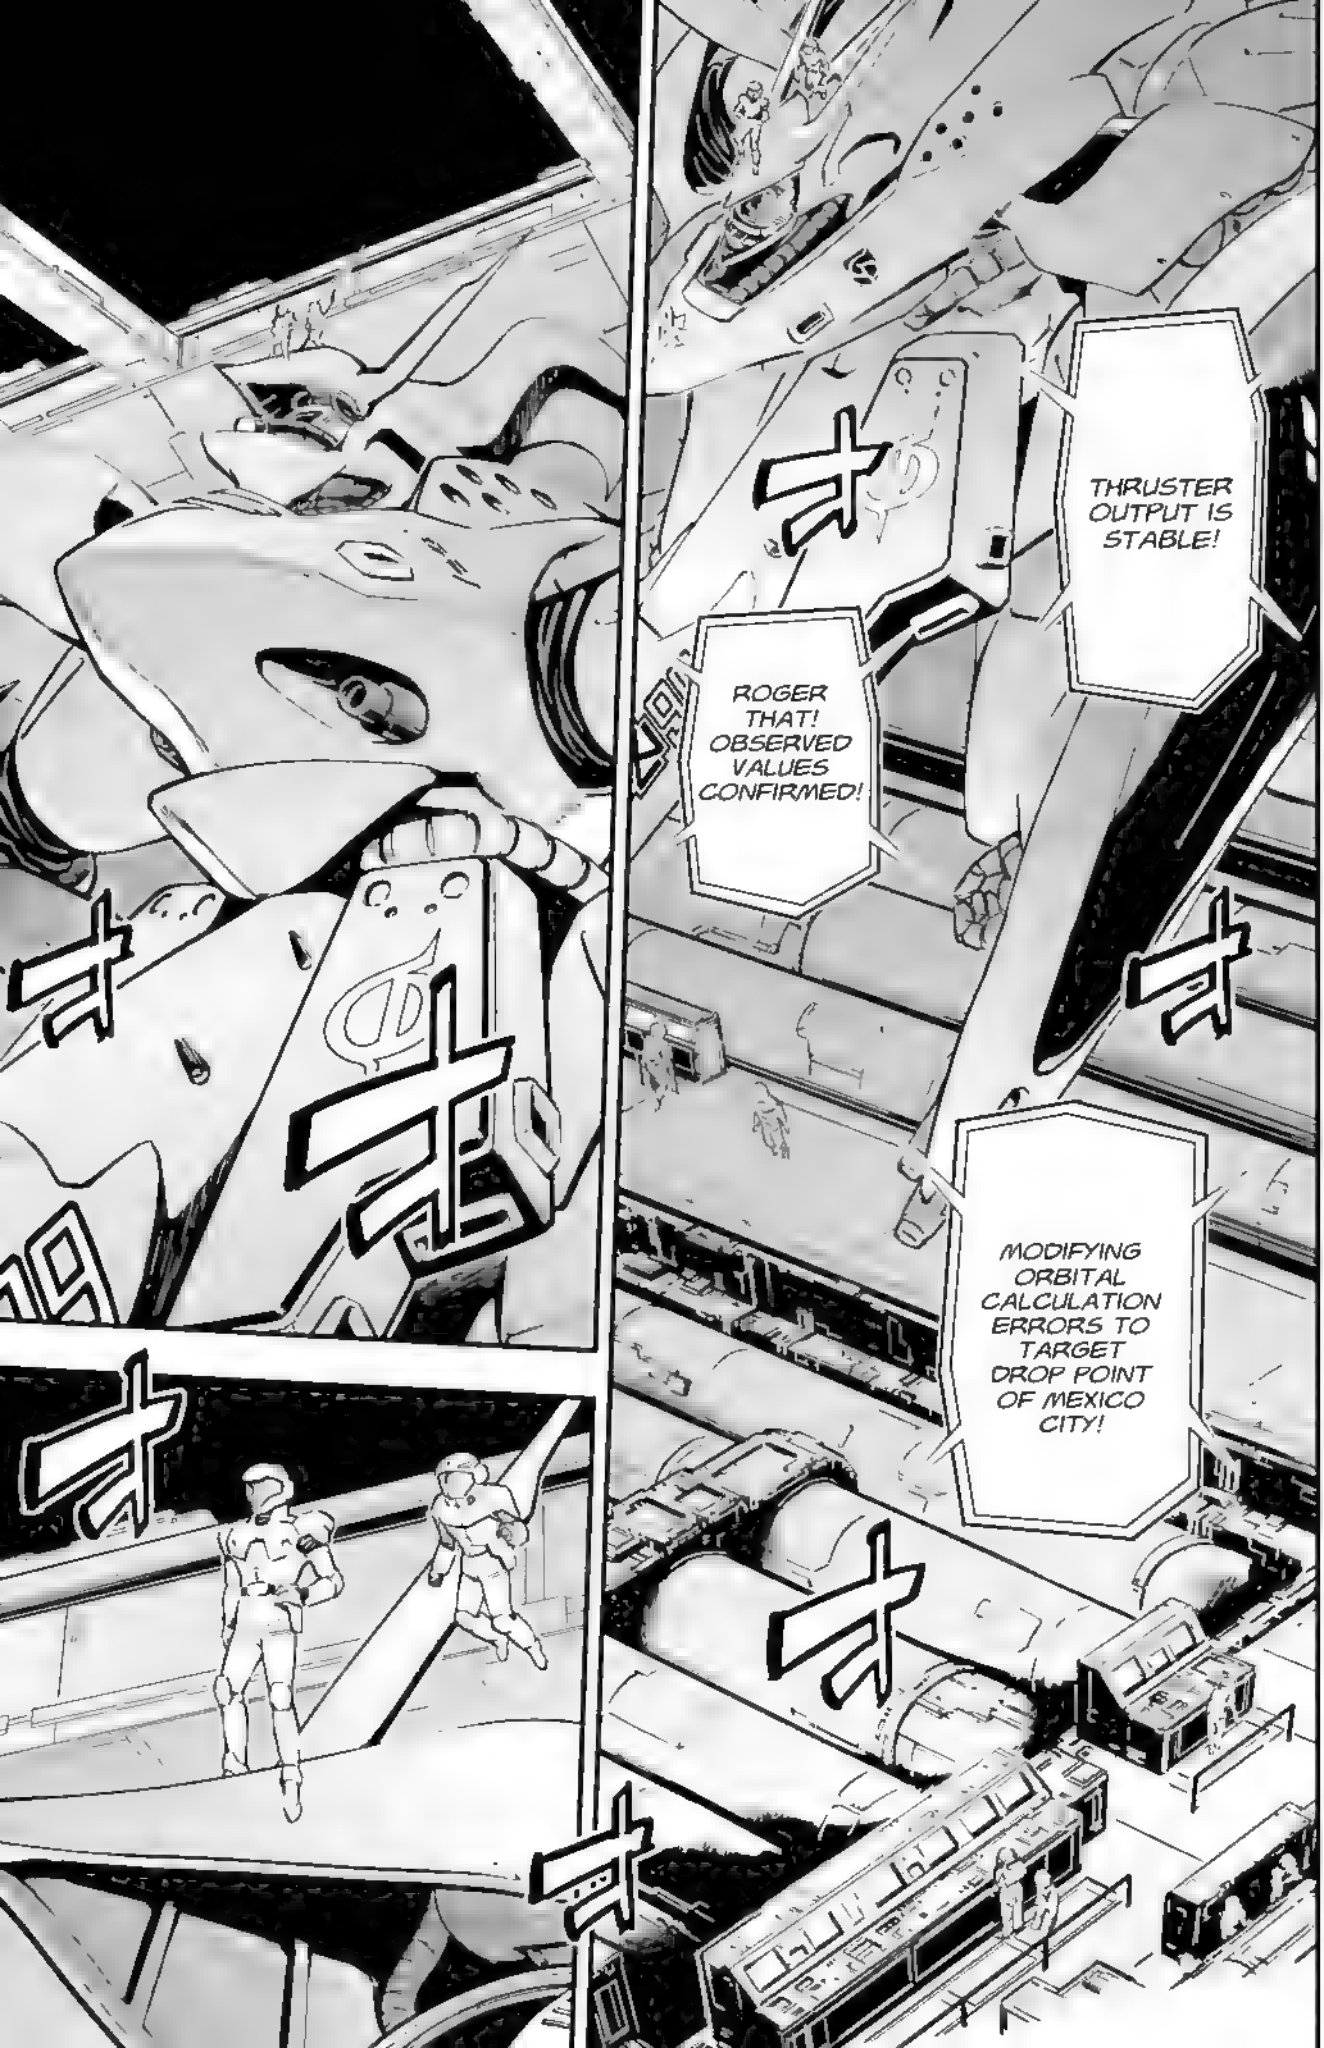
ザッ
ザッ

I'M SORRY, EVERYONE.

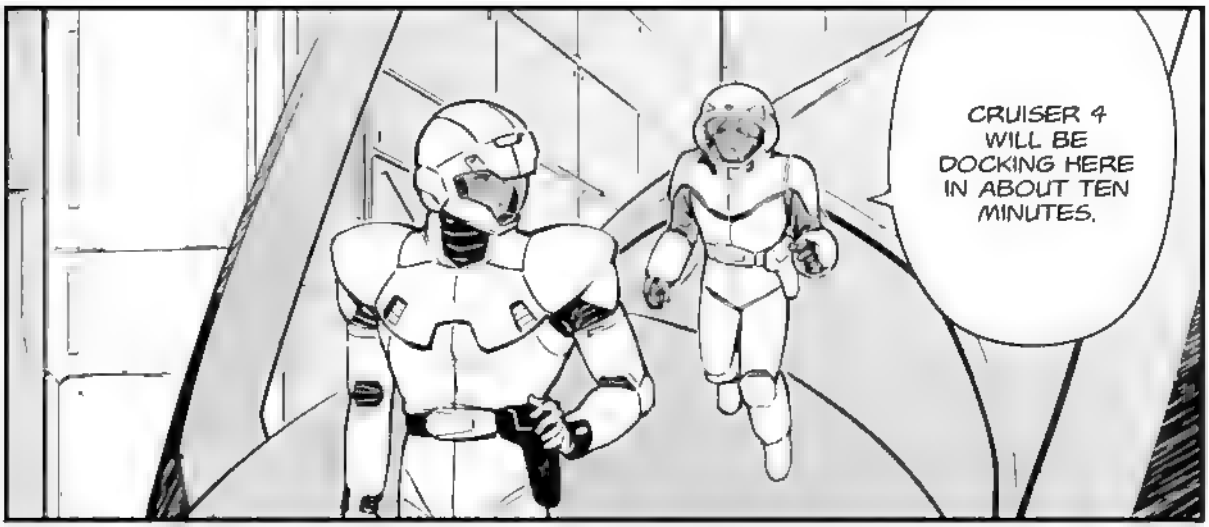
WOULD YOU GIVE UP YOUR LIVES?



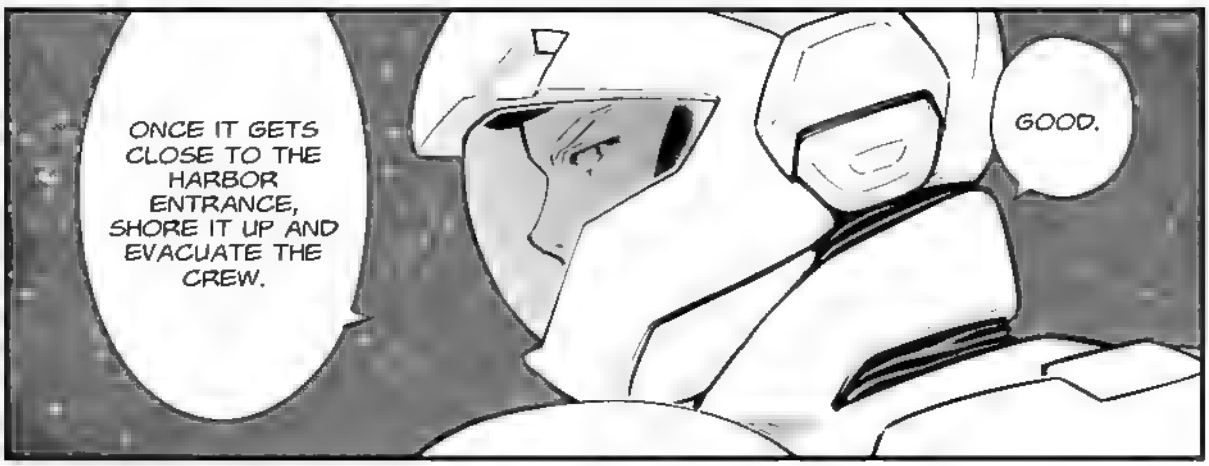




THRUSTER OUTPUT IS STABLE!
ROGER THAT! OBSERVED VALUES CONFIRMED!
MODIFYING ORBITAL CALCULATION ERRORS TO TARGET DROP POINT OF MEXICO CITY!

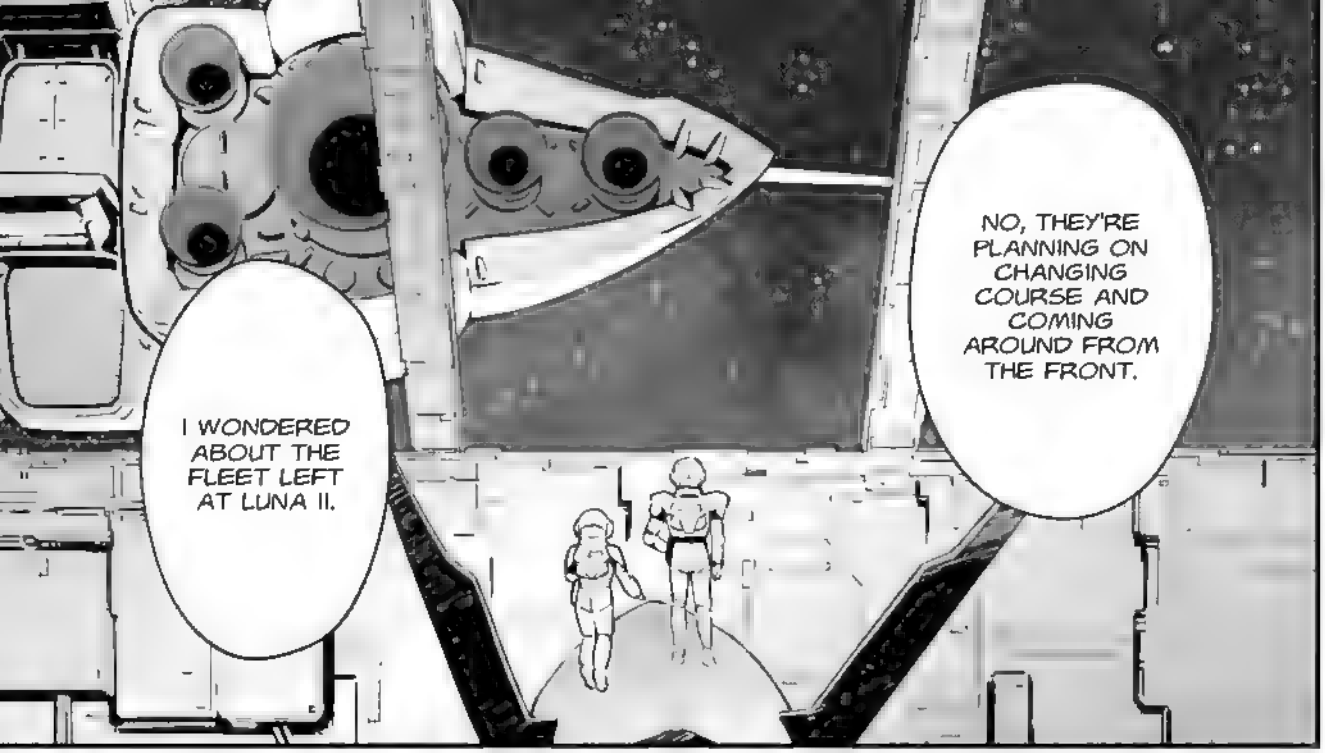


CRUISER 4 WILL BE DOCKING HERE IN ABOUT TEN MINUTES.

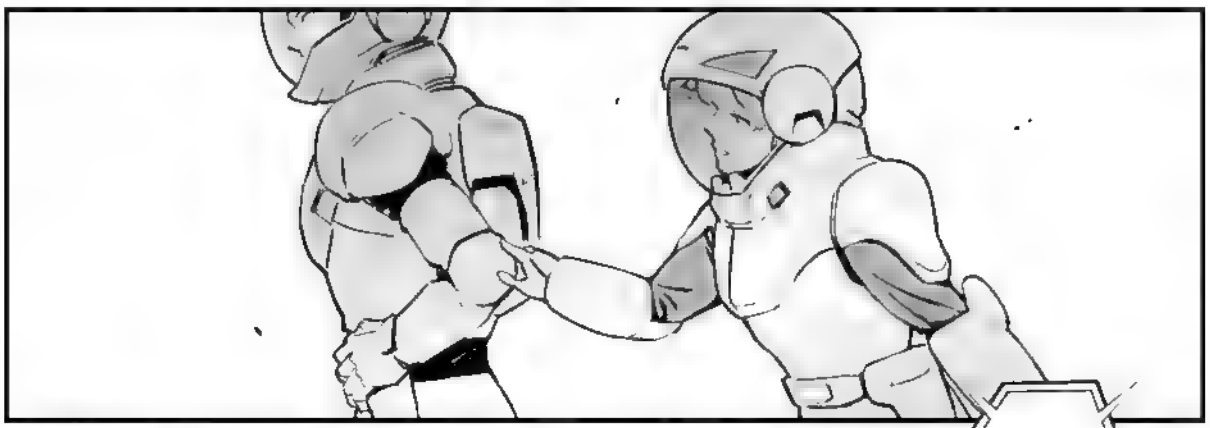


ONCE IT GETS CLOSE TO THE HARBOR ENTRANCE, SHORE IT UP AND EVACUATE THE CREW.
GOOD.

RIGHT.
IS THERE A RIVALRY BETWEEN LONDO BELL'S SHIPS AND CRUISER 4?
ONCE AXIS SLIPS INTO THE LOWEST LAYER OF THE VAN ALLEN BELT, THE NUKES ON CRUISER 4 WILL DETONATE.

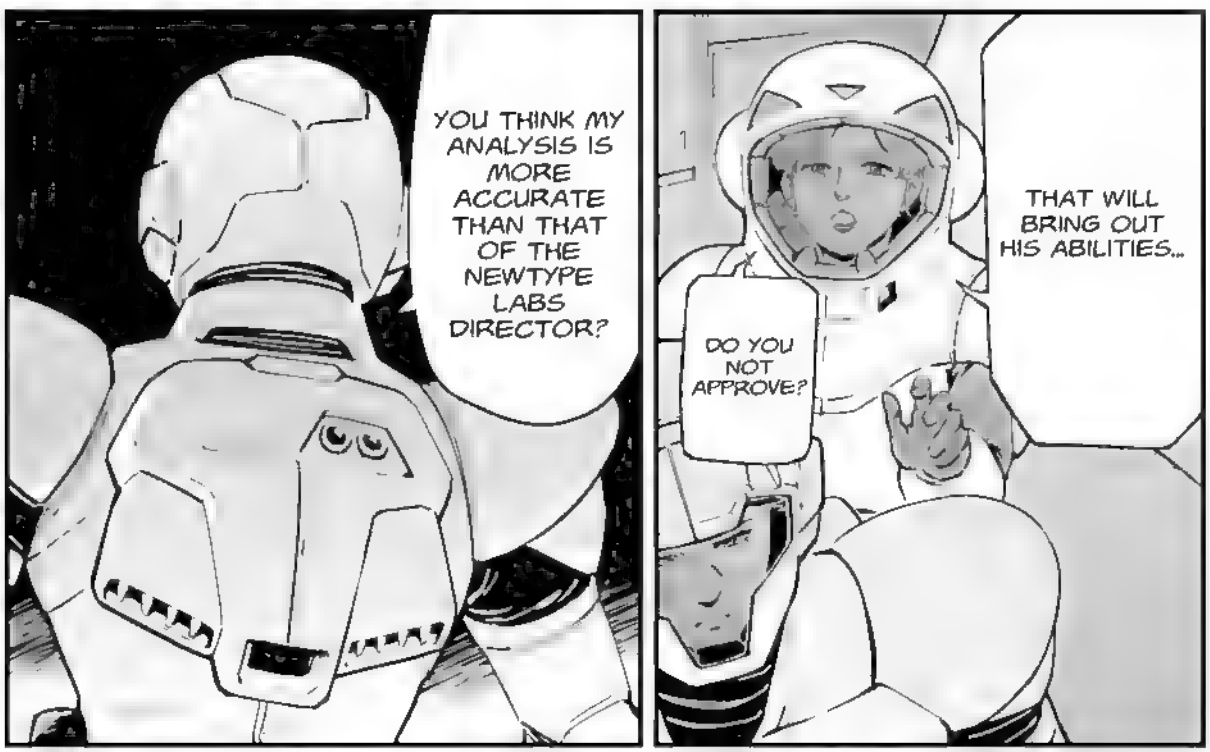


I WONDERED ABOUT THE FLEET LEFT AT LUNA II.
NO, THEY'RE PLANNING ON CHANGING COURSE AND COMING AROUND FROM THE FRONT.



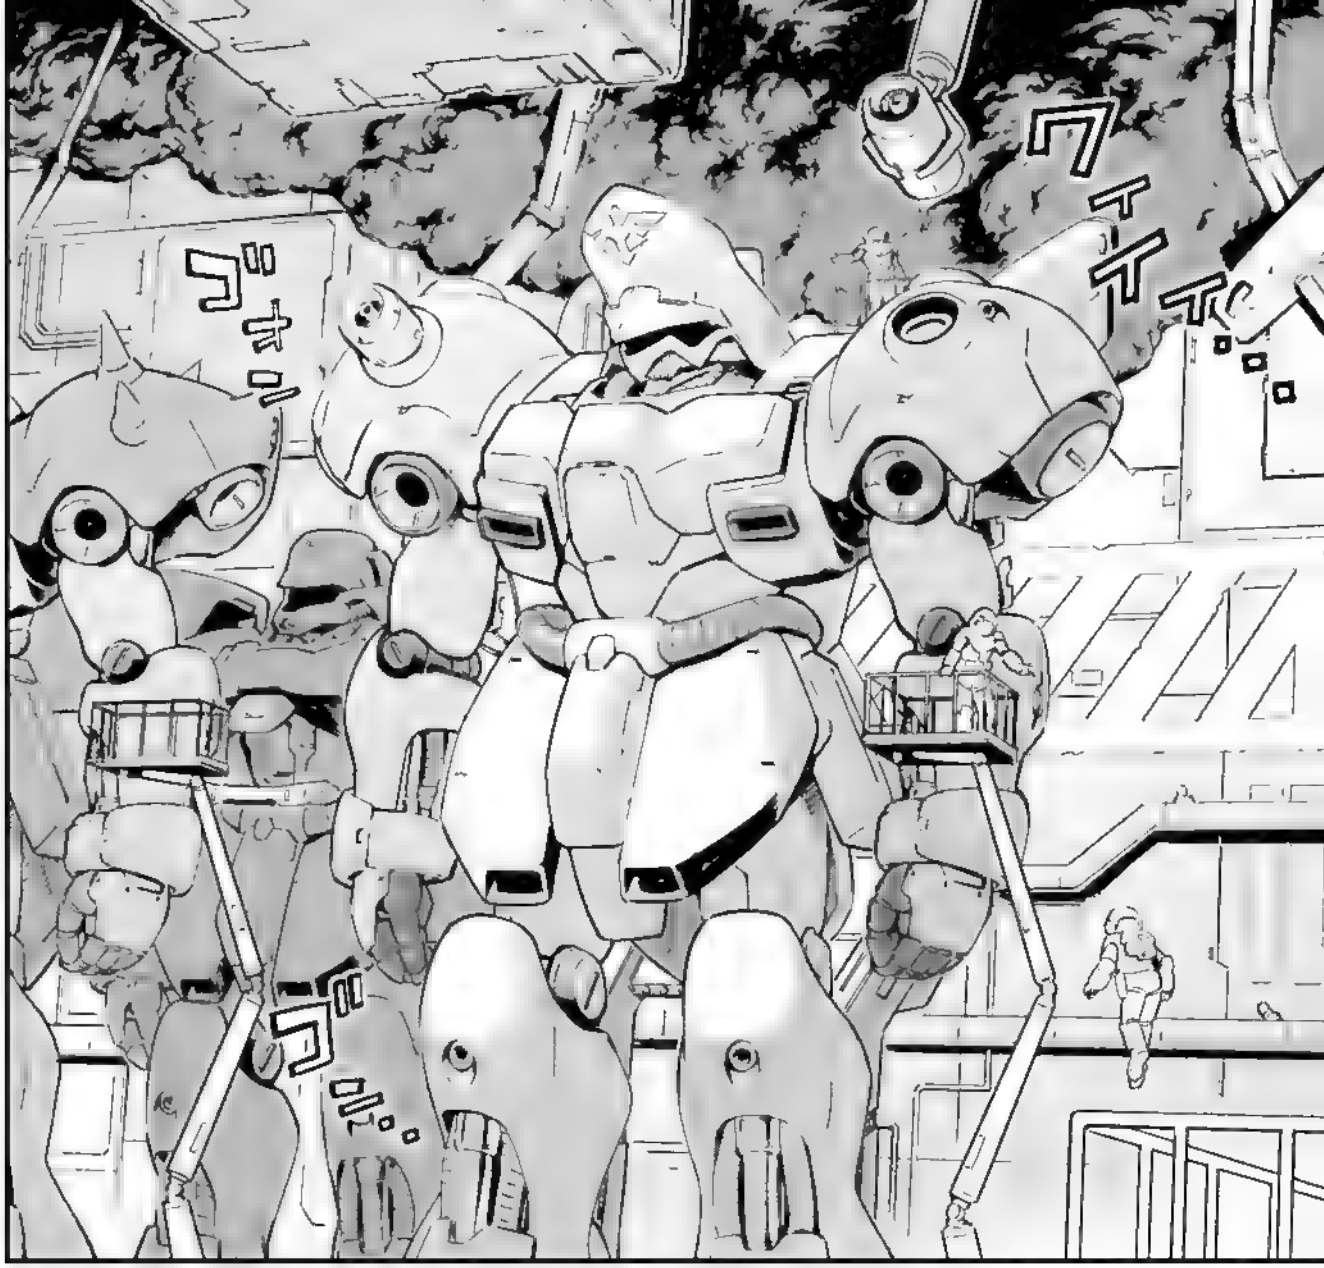
CAPTAIN.
DO YOU MIND IF WE SPEAK VIA VISOR MOVEMENT?

GLARV IS SCARED THAT HE'S GOING TO LOSE QUESS TO YOU.
HE'LL BE PUT IN FRONT OF THE LONDO BELL FLEET WITH QUESS.
ぎぎぎ。
……



THAT WILL BRING OUT HIS ABILITIES...
DO YOU NOT APPROVE?
YOU THINK MY ANALYSIS IS MORE ACCURATE THAN THAT OF THE NEWTYPE LABS DIRECTOR?

NO, SIR...



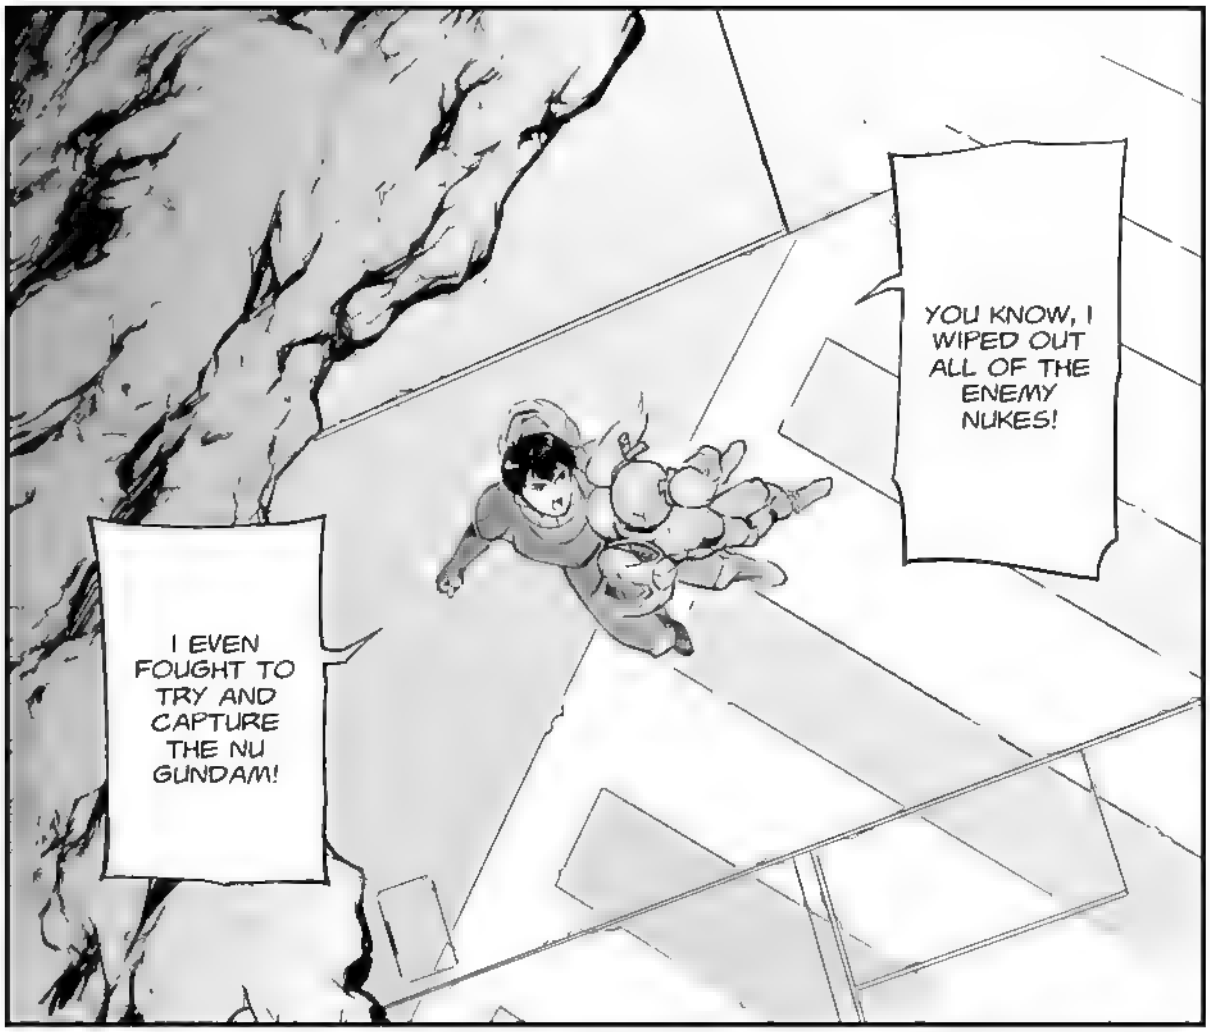
ゴゴゴ
ゴゴゴ

I LEFT THE MUSAKA ON MY OWN, BUT...
I DID PROVE MYSELF IN BATTLE...

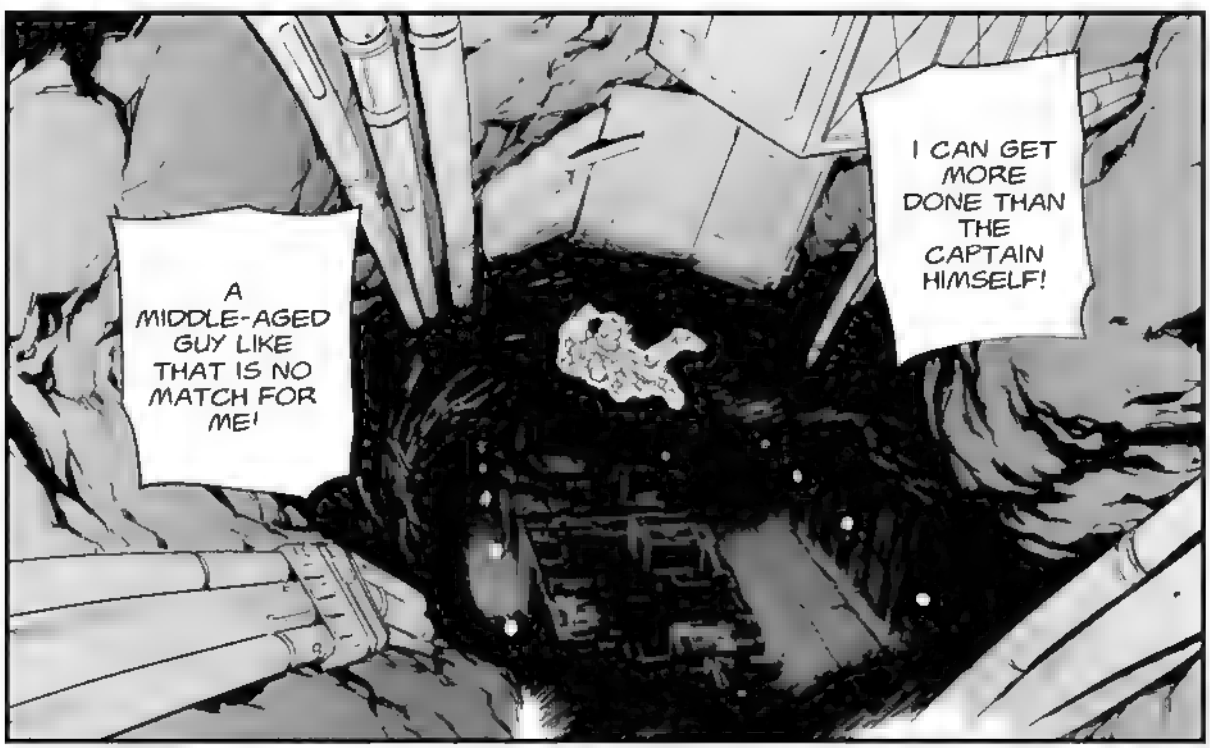
THEY'RE IGNORING ME.
NEITHER THE CAPTAIN NOR MESTA ARE HERE...
WHETHER GOOD OR BAD, THERE HAS TO BE SOMETHING.
GLARV!

?
ケロッと
して…
EVEN IF I GET STRIPPED OF MY RANK, WHAT I DID WAS UNAVOIDABLE FOR QUESS...
ﾊﾚﾚ…
WEREN'T YOU WITH THE CAPTAIN?
HE WENT OUT WITH MESTA.
ARE THEY JUST TALKING BUSINESS?

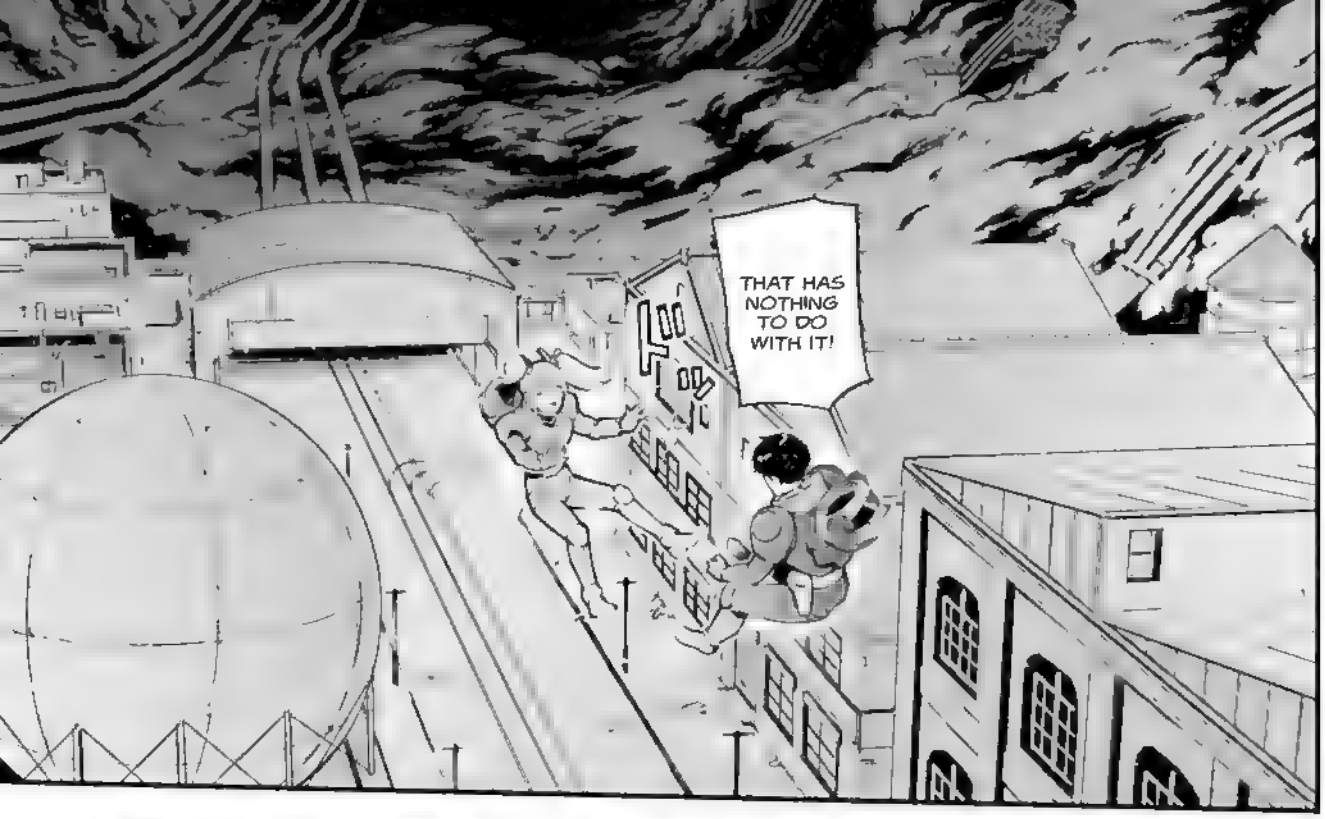
SO WHAT DO YOU THINK, GLARV?
YOU THINK THE CAPTAIN WILL BE MINE IF I CUT IN LATER?
STOP THINKING LIKE THAT!!
WHAT GIVES?!



YOU KNOW, I WIPED OUT ALL OF THE ENEMY NUKES!
I EVEN FOUGHT TO TRY AND CAPTURE THE NU GUNDAM!



I CAN GET MORE DONE THAN THE CAPTAIN HIMSELF!
A MIDDLE-AGED GUY LIKE THAT IS NO MATCH FOR ME!



THAT HAS NOTHING TO DO WITH IT!

THE REASON WHY THE CAPTAIN IS GETTING INVOLVED WITH YOU ALL WHILE MAINTAINING HIS RELATIONSHIP WITH MESTA!
YOU KNOW THAT EVERYONE AT THE NEWTYPE LABS KNOWS, RIGHT?
LIKE HELL IT DOESN'T!!

I LOVE HIM!!
I...
I DON'T CARE!!

HE'S SICK.
YOU KNOW...
YOU DIDN'T KNOW THAT?
THE CAPTAIN WAS OBSESSED WITH A YOUNG WOMAN HE MET DURING THE ONE YEAR WAR.

HE'S INTO YOUNG GIRLS!!
HUH?

IT'S DIFFERENT IF YOU'RE SICK!
COM-MANDER CHAR IS A GROWN MAN!
HE'S NOT GOING OUT WITH MESTA!
LALAH SUNE.
HE'S A POSER.
HE'S HOLDING ON TO MESTA TO KEEP UP APPEARANCES AS OUR LEADER.

MANY WOMEN HAVE HEARD THE CAPTAIN MUMBLE HER NAME IN HIS SLEEP!
LALAH SUNE IS THE NAME OF THE YOUNG GIRL...
WHY YOU!!
110

IT WAS BECAUSE LALAH CHOSE AMURO...
THAT HE STARTED THIS WAR!!
A GROWN MAN DOESN'T ACT LIKE THAT!!
HE CANNOT BE TRUSTED!
110 シュル
QUESS?!

DROP DEAD!!

THIS IS WHY I CAN'T STAND YOUNGER MEN!
